Street Feast – Friday 1st September – Caldicot Town Centre - NP26 4BG

We are writing to you to inform you of an upcoming event, taking place in Caldicot town centre on Friday 1st September. We have organised street food stallholders offering food from around the world along with live music and the sale of alcohol.

As your property is close to the event venue and the town centre, We wanted to make you aware of arrangements we have put in place to minimise any disruption to your evening.

A crew will be working on setting up the stage on the afternoon of the 1st, there may well be some noise disruption during this time, but the team will endeavour to keep it to a minimum sound checks will likely take place around 4pm.

The main event is due to run between 5pm and 10pm, where live music will be being played from 5pm. All music, food sales and activities will be finished by 10:15pm at the latest. Security will be in place during this time to comply with licenses etc.

The crew will then take down the system, stage and remove the extra seating and other items from the site from 10:15pm, we are expecting this to be completed by midnight. The team will do all they can to keep the noise levels to a minimum and contained during this time.

The event is just one of a number of initiatives Caldicot Town Team are taking to help bring more trade and business to Caldicot town centre, and generally making Caldicot a better place to work, live and play.

This is a free event, so feel free to come along and join us throughout the evening. If you have any concerns, questions or queries, please do not hesitate to contact us at caldicottownteam@outlook.com

Kind Regards
